Assistant Commissioner for Patents  
**BOX AF**  
Washington, D.C. 20231

SIR:

Responsive to the Final Office Action dated **February 4, 2003**,  
reconsideration of the above-identified application is respectfully requested in view  
of the amendments and remarks that follow. Accordingly, reconsideration and  
removal of rejections under 35 USC § 103(a) is respectfully requested.

**AMENDMENT**

Please cancel claims 5 and 11.

Please amend the claims to read as follows:

1. (Four Times Amended) A method for manufacturing a multi-layered  
ceramic substrate, said method comprising the steps of:

forming a shrinkage suppression sheet comprising a ceramic material on at  
least one face of an unfired green sheet laminated body;
